

DYNAMICS OF CELESTIAL BODIES

A meeting in honor of John Hadjidemetriou

Litohoro, Greece, 23-26 June 2008

===== 2nd Announcement =====

Dear Colleagues,

This is the 2nd announcement concerning the organization of the meeting:

"Dynamics of Celestial Bodies"

to be held in honor of Prof. John Hadjidemetriou, in Litohoro (Greece) from June 23 through June 26, 2008. All information about the meeting (location, topics, SOC, LOC, invited speakers, participants, travel info, etc.) can be found in

<http://users.auth.gr/~voyatzis/litohoro>

We would like to draw your attention to the following points:

REGISTRATION

Registration will be open until April 30. Please notify colleagues whose names do not appear in our list and may be interested in attending the meeting. For those of you who have already registered for an oral/poster presentation, please keep in mind that we would like to have your abstract by April 30 as well.

PROGRAMME

The meeting will start on Monday 23 (~9:00) and finish on Thursday afternoon (~13:00). A preliminary programme will be announced on our web-site soon. We will try to accommodate as many oral presentations as possible, but also allow for some free time for discussions among the participants.

HOTEL RESERVATION

As written in the 1st announcement, room availability is guaranteed until the beginning of April, for the hotels shown in the web-site. Most of the participants that have already registered (see list on the web-site) have given us tentative arrival and departure dates or have not given us information about dates and possible accompanying persons. PLEASE confirm your arrival/departure dates and accompanying persons as soon as possible, preferably before April 15. Keep in mind that the end of June is nearly high-season for Greece and the hotels may be getting many demands for the same period.

MEALS

Lunches will be offered by the organizers to all participants and accompanying persons. A welcome drink/snack will be also scheduled for Sunday evening. An "official" banquet will be offered by the Mayor of Liothoro (Tuesday or Wednesday evening). All participants and accompanying persons are welcome to participate, free of charge.

For the remaining (two) evenings, the participants are kindly asked to make their own arrangements for dinner.

BUS SERVICE

A bus service, going from the Thessaloniki Airport (and from the Center of Thessaloniki) to Liothoro will be arranged on Sunday afternoon (22/6). Please keep in mind that, in order to transport as many people as possible, we will ask for your flight schedule in due time. Depending on the number of people that plan to leave on Thursday (26/6) afternoon, we will also arrange for transportation back to the airport.

The Local Organizing Committee

Harry Varvoglis (chair), George Voyatzis, Kleomenis Tsiganis,
Efthymia Meletlidou, Vassilis Koukoulogiannis, Thomas Kotoulas, Fotini Zervaki.
