

Vorgewählte Publikationen
von einer Gesamtmenge von 93 Publikationen und von 11 Büchern:

- Haralabidis S. Methods of coprological examinations. Microscopic parasitic finds of ruminants, carnivores, horses and swine. Hellenic Veterinary Medicine, 1977, 20: 77-92.
- Himonas C., Haralabidis S., Liakos V. Treatment of *Muellerius capillaris* infection of goats. Bulletin of the Hellenic Veterinary Medical Society, 1980, 4: 233-243.
- Haralabidis S., Himonas C. The Complement Enzyme-linked Immunosorbent Assay (CELISA). I. Detection of *Cysticercus bovis* -antibodies. Hellenic Armed Forces Medical Review, 1981, 15: 87-91.
- Heydorn AO., Haralabidis S., Matuschka F-R. Zur Chemoprophylaxe und Therapie der akuten Sarkosporidiose. Berl.Munch.Tierarztl. Wschr., 1981, 94: 229-234.
- Heydorn AO., Haralabidis S. Zur Entwicklung von *Sarcocystis capracanis* Fischer, 1979. Berl.Munch.Tierarztl.Wschr., 1981, 95: 265-271.
- Haralabidis S. The immunodiagnosis of the parasitic diseases and the immunoenzyme assay ELISA (Enzyme-linked immunosorbent assay). Monography. Scientific Yearbook of the Veterinary Faculty of the Aristotle University of Thessaloniki, 1984, 22: 75-253.
- Haralabidis S. Seroepidemiology of parasitic diseases of sheep and goats by means of ELISA. Bulletin of the Hellenic Veterinary Medical Society, 1987, 38: 215-223.
- Haralabidis S. An ELISA-CELISA double test for multifaceted immunodiagnosis of parasitic diseases. Hellenic Armed Forces medical Review, 1987, 21(S): 137.
- Haralabidis S., Himonas C., Anagnostou L., Lioupis S. Diagnosis of Sarcocystosis of the sheep and goat. Bulletin of the Hellenic Veterinary Medical Society, 1987, 38: 224-234.
- Haralabidis S., Papazachariadou M., Koutinas A., Rallis T. A survey on the prevalence of gastro-intestinal parasites of dogs in the area of Thessaloniki, Greece. J.Helminth., 1988, 62: 45.
- Haralabidis S., Frydas S., Himonas C. Latex Agglutination Test for detecting *Trichinella spiralis* infections in pigs using muscle extract. Vet.Parasitol., 1989, 34: 191-201.
- Haralabidis S., Frydas S., Karagouni E., Himonas C. *Trichinella spiralis*-Ab3 (IgG, IgM, IgA), IL-6 and TNF levels in murine trichinellosis. Int.J.Immunopathol.Pharmacol., 1992, 5: 173.
- Haralabidis S., Daoudaki M., Frydas S. T cell subpopulations and IL-6, IL-10, TNF-a and specific immunoglobulin levels in murine trichinellosis. Int.J.Immunopathol.Pharmacol., 1993, 6: 149.
- Haralabidis S., Himonas C., Simos E. Detection of IgG-*T.spiralis* in the horse. Bulletin of the Hellenic Veterinary Medical Society, 1993, 44: 104-106.
- Haralabidis S., Karagouni E., Frydas S., Dotsika E. Immunoglobulin and cytokine profile in murine secondary hydatidosis. Parasite Immunol., 1995, 17: 625.
- Haralabidis S. Protozoology. 2nd ed. University Studio Press, Thessaloniki (1998).
- Haralabidis S. Immunology of the Parasitic Diseases. 2nd ed. University Studio Press, Thessaloniki (1998).
- Loukaki K., Kirklessi G., Haralabidis S., Diakou A. Idiosyncratic homeopathy and canine leishmaniasis. Mondial Vet. Congr., Lyon, France (1999).
- Haralabidis S. Veterinary Parasitology. Protozoa. Helminths. Arthropods. University Studio Press, Thessaloniki (2001).
- Haralabidis S., Diakou A. Diagnosis of the parasitic diseases of the animals. University Studio Press, Thessaloniki (2001).
- Haralabidis S. Parasitic Diseases of the animals and the human. Protozoosis. Helminthosis. Arthropodosis. University Studio Press, Thessaloniki (2003).
- Dotis J., Ritsas I., Tsantali Ch., Tsioris J., Haralabidis S., Roilides E. Immune haemolytic anaemia due to visceral leishmaniasis in a young child. Eur J Pediatr., 2003, 162: 49-50.
- Skarmoutsou-Tsimirika C., Papaioannou M., Haralambidis S., Bakaloudi V., Zervas K., Lazaridou A., Christakis JI. Visceral larva migrans in a young man presenting with fever and eosinophilia. Haema, 2004, 7(4):520-523.
- Diakou A., Papadopoulos E., Haralabidis S., Papachristou F., Karatzias H., Panousis N. Prevalence of parasites in intensively managed dairy cattle in Thessaloniki region, Greece. Cattle Practice, 2005, 13:51-54.
- Haralabidis S., Diakou A., Frydas S., Papadopoulos E., Mylonas A., Patsias A., Roilides E., Giannoulis E. Long-term evaluation of patients with hydatidosis treated with albendazole and praziquantel. Int J Immunopathol Pharmacol., 2008, 21(2):429-35.
- Daoudaki M., Diakou A., Frydas S., Fouzas I., Karagouni E., Vavatsi N., Haralabidis S. Vaccination with *Trichinella spiralis* antigens increases CD8+ peripheral T cells and enhances the Th2 immune response in *Leishmania infantum* challenged mice. Int J Immunopathol Pharmacol., 2009, 22(1):169-74.
